

QObject

QGraphicsPixmapItem

gameScene_1_dice

```
classDiagram
    class QObject
    class QGraphicsPixmapItem
    class gameScene_1_dice
    gameScene_1_dice --|> QObject
    gameScene_1_dice --|> QGraphicsPixmapItem
```

The diagram illustrates a class hierarchy. At the top, two boxes represent the base classes: 'QObject' on the left and 'QGraphicsPixmapItem' on the right. Below these, a third box represents the derived class 'gameScene_1_dice'. Two arrows originate from the 'gameScene_1_dice' box and point upwards to the 'QObject' and 'QGraphicsPixmapItem' boxes, indicating that 'gameScene_1_dice' inherits from both.
